

# CRIME AND TECHNOLOGY

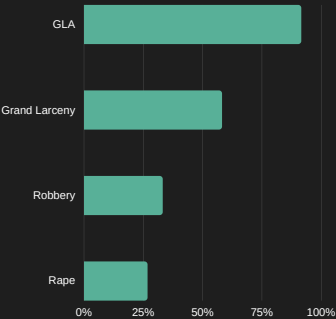

*Improving NYC safety using recent technological innovation*

The crime rate in NYC has increased by over 38.5% from 2021.

The NYPD adopts both technological and non-technological measure to combat crime within the state.

## CRIME INDEX

### Non- Technological Measures

Anti-violence Crisis Management Systems Unit

Collaboration with mental health professionals to reduce crime - committed by people with mental illness.

Collaboration with the FBI to prevent illegal gun inflow

Crime reduction plan announcement by Mayor Eric Adams
